To review the process of tendering from issuance of tender to award.
To review the process of tendering from issuance of tender to award with the aim to reduce the present duration by at least 50%.
• Tendering process require a longer time especially with the new “Cut-Off” Method of Tender Evaluation imposed for Federal Tenders.
• Tender evaluation carried but by respective Branches within JKR creating silo mentality.
• Red tapes between the department and the final approving authorities.
Projects are able to be implemented early and completed on schedule.
For federal tenders less than RM5 million.

For federal tenders RM5 million-RM10 million.
IMPACT
